Day 1: Diver House Margate, KwaZulu Natal South Coast

KwaZulu Natal South Coast

Stretching from Amanzimtoti to Port Edward, South Africa's KwaZulu Natal South Coast is all about stunning beaches, excellent fishing and fantastic golf locations. Well-developed resort towns dot this lush coastline and cater

to every need from diving to dining, with top-notch golf courses often forming the basis of holidays to the area. Animal lovers flock to the Amanzimtoti Bird Sanctuary, home to 150 bird species including Giant Kingfisher and Hamerkop. Adventure sport enthusiasts can take a brave leap at the Oribi Gorge's Wild Gorge Swing, the highest swing in the world, equivalent to a 55 storey building. The KwaZulu Natal South Coast offers visitors an endless summer with a variety of activities including excellent swimming, snorkelling, hiking, birdwatching, dolphin spotting and viewing the annual sardine run.

Activities

At arrival in Durban pick-up your hire car and make your way to Margate.

Shelly Beach

Shelly Beach is a developing residential town offering warm hospitality. This inviting town is known for its rock and surf fishing and has a boat base where numerous deep sea angling competitions occur yearly. It's also a hot spot for shark diving - with seasonal scalloped hammerhead and raggedtooth shark aggregations, seasonal tiger sharks, bull sharks year round, whales in the winter.

Oribi Gorge and Lake Eland Nature Reserve a short drive away. Diving is in the morning only, so in the afternoon there are thrills to be had on gorge swing, zip line, and in the rainy season white water rafting. There is also horse-riding in the reserve and walking trails for those who want less of rush.

Overnight: Diver House Margate

A six-bedroom private villa in Margate with sea views. The villa is fully equipped with a modern kitchen and infinity pool, 10 minutes' drive from the dive kit up and launch site. For groups, if this accommodation is full, we use other similar accommodation in an apartment complex Margate, next to the beach so that everyone can be together.

Day 7: Blue Ocean Dive Resort, KwaZulu Natal South Coast

Activities

2 reef dives on Aliwal Shoal

Aliwal Shoal

Natural processes, such as the fossilization of sand dunes, created Aliwal Shoal thousands of years ago. Lying between three and five kilometres off the Umkomaas shoreline, Aliwal Shoal, with its warm water and diversity of tropical fish, is rated as one of the top ten dive sites in the world and is the best dive site in South Africa after Sodwana. The site is renowned for its sharks, especially the ragged tooth sharks that like to lurk in the caves along the shoal but fortunately they tend to populate here during their gestation period, during which time they are not aggressive.
